## Invitation

**Dear Colleagues,**

We invite you for the VII Annual Convention of Society for Veterinary Science & Biotechnology (SVSBT), First Alumni Meet of the College and National Seminar on “Biotechnological advances for improving animal health and productivity” during 5-6 December, 2019 at Navsari, organized by the College of Veterinary Science & Animal Husbandry, NAU, Navsari in collaboration with Vanbandhu Veterinary College Alumni Association and SVSBT, Indore. The seminar has significance to keep update with the advancements in Animal Biotechnology influencing Veterinary Sciences involving animal health as well as production which will be useful for policy makers, academicians, researchers and practicing veterinarians.

## Seminar Theme

National seminar is aimed to discuss various aspects of animal biotechnology, animal health, production and reproduction covering recent concepts and approaches for improvement in livestock health and productivity. The seminar will bring together the policy makers, academicians, researchers, practicing veterinarians and students to discuss and share their research findings and knowledge. It will also provide a platform to scientists and practitioners working in diverse fields of veterinary and animal sciences to exchange their ideas. We hope that this Annual Convention and the National Seminar will help to address issues in various fields and yield ideas to raise the income of the Indian livestock keepers. The organizing committee feels immense pleasure to invite you for the seminar and eagerly looking forward to welcome you at Navsari, Gujarat.

## Technical Session

1. Biotechnology for Productivity and Health
2. Animal Disease Diagnosis, Health and Reproduction
3. Animal Nutrition, Management and Production
4. Poultry Health and Production
5. Animal Products Processing and Technology

## Abstract Submission

Organizing committee of SVSBT-2019 invites scientists, teachers and students to submit abstract of original and quality research work limited to 250 words as a word file (A4 size paper, Times New Roman, 12 font size, 1.5 space). The abstract should be submitted with title, name of the authors (Last name followed by initial) and institute address with email ID of presenting author. The abstract should include background, objectives, methodology, results and conclusion. Make sure to underline the name of presenting author. Last date to receive abstract by email to svsb2019@gmail.com is 15<sup>th</sup> Nov. 2019.

## Presentation

**Oral :** Selected abstracts will be allowed 7 minutes for presentation; hence speakers are advised to make presentation accordingly. Speaker needs to bring a presentation (ppt) in a removable disk.

**Poster :** A poster should be informative, attractive and self-explanatory. The size of poster should be 3' (Vertical) X 2' (Horizontal). Alternatively, e-presentation of the poster will also be considered.

## Awards

There will be a young scientist & an overall best paper award for each session in both oral and poster presentation categories if at least 3 papers/posters will be presented.

## Venue

College of Veterinary Science and Animal Husbandry, Navsari was established on 1<sup>st</sup> July, 2008 under flagship of Navsari Agricultural University, Navsari, Gujarat. Navsari is a district place and one of the oldest cities in South Gujarat. Historically, the first settlement of the Parsi community took place near Navsari. Apart from being the birth place of eminent personalities like Dadabhai Naoroji and Jamsedji Tata; Navsari has many nearby places to visit like Dandi (*Namak Satyagah*), sandy beach of Ubharat, Statue of Unity, Vansda National Park and Tithal beach at Valsad. Besides being country's one of the largest exporter of fruits viz. Sapota and Mango, it is also known for sugarcane, floriculture, diamond and textile enterprises.

Navsari is on main rail and road lines connecting Surat and Mumbai. Navsari is only 30 kilometres south of Surat by road and rail. University campus is just 3 kilometres away from Navsari Railway Station (West). Nearby airports are Surat (50 km), Vadodara (180 km) and Mumbai (250 km).

## Accommodation and Weather

The Delegates/ Guests would be accommodated in University Guest Houses, after registration on first come first serve basis. In December, the weather remains cool and moderately humid. Expected temperature in the month of December at Navsari will be around 15-30°C.
