

# International Seminar on Transboundary Pest Management (ISTPM 2020)

Date : March 4-5, 2020

Venue : TNAU, Coimbatore - 641 003

Recently in India and other parts of the world, there have been frequent invasions by insects, mites and vectors of plant diseases. ISTPM 2020 will provide inclusive information on invasive pests of India and other countries, adoption of integrated pest management techniques and current efforts at the national and international level that reduce risk of pest entry. Special Issue will be brought by ESI in the Indian Journal of Entomology.

## Patrons of the Seminar

**Dr. N. Kumar**  
Vice Chancellor, TNAU, Coimbatore

**Dr. S. N. Puri**  
President, ESI, New Delhi
