Read : Rule No. 30 of the Regulations for the Polytechnic Programme in the Agricultural Universities of Gujarat

: OFFICE ORDER :

As per (Rule No. 30) of the Regulations for Polytechnic Programme in the Agricultural Universities of Gujarat, the students enrolled during the academic year 2025-26 in Horticulture Polytechnic, Navsari are hereby placed under the guidance of the teachers (As Per Appendix -I) for counseling to ensure their overall development. The objective behind setting up the advisory cum counseling system is to help the students, guide them in their life and carrier and help them to discover the hidden talents. All nominated teachers are expected to follow/ensure the below mentioned points.

- The students shall remain under the guidance of the assigned teachers for the entire duration of their Diploma under the teachers.
- The concerned teachers should meet the assigned students at least once in a fortnight.
- The concerned teachers are expected to visit the hostel of the assigned students periodically and guide them regarding standards of living and life style.
- They are also expected to keep in touch with the parents of the assigned students.
- They should identify the academic difficulties faced by the students and positively help them to overcome the same.
- They should strengthen the teacher - student communication and the relationship.
- The teachers will work in consultation with Principal and will - seek their helps as and when needed.
- The concerned teachers will maintain progress report (As per the attached format) of the assigned students and submit in to the principal before the semester end exams every year.
- The teachers are also expected to attend workshop and training sessions organized as part of the activity.
- All students are requested to contact their respective teacher/counselor for further action.

This initiative has potential to create congenial environment in the university that will help us achieve new heights. I will be happy to extend my full support and guidance at any point to the teachers, if needed. I am confident that the teachers will be able to carry out the challenging task efficiently in the interest of the students, the university and the society at large.
