CIRCULAR

It is to inform all the PG teacher and M.Sc./Ph.D. students that the P.G. Seminar series for odd semester, Academic session 2022-23, of College of Forestry, is to be scheduled soon. For timely and smooth conductance of seminars, students in consultation with their respective major advisor should submit the below given information to the PG seminar Coordinator (Forestry) Dr. N. S. Thakur, Asst. Professor (Agroforestry), Department of Silviculture and Agroforestry, latest by 17th August, 2022 in hard copy and mail the same at drnsthakur74@gmail.com. Seminar topics should be selected from the thrust areas of research of concerned department and duplication of topics (already presented in past) should be avoided. Selected topic should be specific with clear title. List of earlier held seminars is available on www.nau.in under college of Forestry. The detailed guidelines for the uniformity in presentations, write up of abstract of seminar and quality presentations will remain same as issued earlier.
