Sub: Training Programme on "Application of Remote Sensing and Geographical Information Systems In Agricultural Development" at MANAGE, Hyderabad, during August 31-September 02, 2026 – reg.:

Dear Sir,

National Institute of Agricultural Extension Management (MANAGE) is organizing a training programme on "Application of Remote Sensing and Geographical Information Systems in Agricultural Development" during August 31-September 02, 2026 at MANAGE campus, Hyderabad.

The main objectives of the programme are (i) To sensitize the extension officers, scientists about the use of Remote Sensing and GIS application in agricultural development (ii) To upgrade their current skills in satellite remote sensing technology and GIS applications in agriculture to make best use of remote sensing and GIS applications in various aspects (iii) To learn open source GIS tools to enhance the capacity of participants to build the RS and GIS applications.

It is requested that 3-4 scientists from your organization may be kindly nominated for attending the program during above period at MANAGE, Hyderabad. The nominations may kindly send by post/email to gbhaskar@manage.gov.in (Mobile: 9848306594). TA/DA of the nominated official(s) shall bear by their own offices. MANAGE will bear the tuition expenses besides providing free boarding and lodging during the above programme period.

Thanking you,

Yours sincerely,

(G.BHASKAR)
