Sub: Inviting nominations for 5 days training program on 'Eco-friendly Rodent Pest Management' from 07.09.26 to 11.09.26 at NIPHM, Hyderabad - reg.

Sir,

As you are aware that rodents are the one of the major production constrains in agriculture, horticulture and allied sectors besides transmitting several diseases to humans and livestock. In rodent endemic areas, the crop losses accounting about 20 – 30% in various cereals (rice and wheat), pulses (green gram, black gram), oil seeds (ground nut), horticulture (coconut, cocoa) and other commercial crops. In view of the above National Institute of Plant Health Management (NIPHM), Hyderabad is an autonomous institute under the Department of Agriculture & Cooperation, Ministry of Agriculture, Government of India is organizing a 5 days training on "Eco-friendly Rodent Pest Management" for agriculture officers/extension functionaries from 07.09.26 to 11.09.26

Hence, you are requested to depute 4-5 concerned officers from the district that face rodent menace in your state.

1. There is no course fee for candidates nominated by Government organizations, Govt. Autonomous corporations/institutions.
2. Free lodging (on twin sharing basis) for the entire training duration. No family accommodation will be provided.
3. The TA/DA and boarding expenditure has to be borne by the trainees / sponsoring department.

The nominations may be sent over e-mail mariadoss.a@gov.in or by post to Plant Biosecurity Division, NIPHM, Rajendranagar, Hyderabad – 500 030. For further details/information please contact Dr. Mariadoss, A., Joint Director (PP), mariadoss.a@gov.in.

Yours faithfully,

(Dr. J. Alice R.P. Surjeetha)
Director (PBD)
