Inauguration of Digital ID Card

Hon'ble Vice Chancellor Dr. Z. P. Patel launched employee's Digital ID Card with cutting -edge RFID, NFC and QR Code capabilities on August 04, 2022. Various biometric machine integrations are possible with the help of this Digital ID Card. The integrated e-visiting card function will make it feasible for every employee to have their own digital visiting card, furthering the objective of Hon'ble Vice Chancellor to go green whenever possible.
