BACKGROUND :

The Extension Education Institute (EEI), Anand is an apex regional training institute formed on September 17, 1962. It provides the extension training needs of western zone states viz. Gujarat, Maharashtra, Madhya Pradesh, Chhattisgarh, Rajasthan, Goa and Union territories of Dadra Nagar haveli, Diu and Daman. EEI is working on the mandate, to train middle level extension functionaries of various line department to improve upon their job performance wherever they are working in different capacities. The line department officers are expert of their own subject but not in the extension management and extension skills. EEI train them by imparting the extension related skills to boost the adoption of recommended technologies or practices.

EEI imparts need based training in thirst areas of Agriculture and allied sectors. For the financial year 2026-27, EEI Anand has proposed 100 training programmes including various on-campus, off-campus and collaborative trainings. The 27 on-campus training programmes which are going to organize during 2026-27 are open to receive the nomination from various extension functionaries.

TRAINING METHODOLOGY :

EEI's training programmes are user friendly and participatory in nature. The sessions delivered in different trainings are by the experts of the respective field. We also emphasizes on developing the inner extension capabilities of participants by involving them in active participation in a practical manner.
