

NAU has received the Corporate Social Responsibility (CSR) activities registration certificate under Ministry Of Corporate Affairs

Hon'ble Vice-Chancellor Dr. Z. P. Patel chaired the 23rd Finance Committee Meeting organized by Office of the Comptroller, on September 12, 2023. Shri Chirag Naik, Comptroller, welcomed all the members and briefed about the financial agendas.

Members of Finance Committee Dr. R D Vashi, Member of the Board of Management; Dr. Timur Ahlawat, Director of Research (Present Online); Dr. H V Pandya, Registrar; Dr. Alka Singh, Dean (Horticulture) and Dr. Amit Lathiya, Planning Officer (Representative Officer of Director of Research) were present during the meeting.

Education, Research, and Extension Education are the core objectives of the Navsari Agricultural University. Being a non-profit organization, donations received to NAU should be exempted from donors income tax. With this noble thought, Hon'ble Vice-Chancellor instructed Office of The Comptroller to work on it, so that donors of NAU will be benefited.

We are pleased to share that, the long-awaited registration process is finished, and NAU has received the Corporate Social Responsibility (CSR) activities registration certificate under Ministry Of Corporate Affairs. This will be beneficial to the university as it will bring in more donations and encourage donors to donate their hard-earned money to a noble cause.
