Section-I: Let's Know the Recruiting Organization

Louis Dreyfus Company India Pvt. Ltd.

Kindly visit <https://ldc.com/> for thorough understanding of your Prospective Employer...

- ☞ Louis Dreyfus Company Pvt. Ltd. is a global merchandiser of commodities and processor of agricultural goods, operating a significant network of assets around the world.
- ☞ They are dedicated to providing sustenance for the planet and today they help feed and clothe up to 500 million people, originating, processing and transporting approximately 80 million tons of commodities around the world annually.
- ☞ They operate from farm to fork, with a diverse set of activities spanning the value chain. **They have been in this business for more than 170 years** and apply their experience to a broad portfolio of commodities which includes Oilseeds, Grains, Rice, Freight, Finance, Juice, Cotton, Coffee, Sugar, Metals, Dairy and Fertilizers & Inputs.
- ☞ Through their business operations and strategically located assets across the globe, they are strongly placed to match demand for products in one part of the world with supply from another.

- ☞ They are present in all agricultural production countries, such as Brazil, and in all key consumption countries, notably China and India.
- ☞ They actively use international trading opportunities to avoid bottlenecks in supply and to address gaps between key origins and destinations. Their geographic diversification is a significant advantage. In addition, they are a major investor in farming, processing, logistics and transport, especially in the developing world.
