

Department of Veterinary Medicine
Vanbandhu College of Veterinary Science and A.H.
Navsari Agricultural University, Navsari-396450, Gujarat, India

Future Plan:

1. To establish 'Emergency and Critical Care Unit for Small Animals' which includes state of art diagnostics as well as facilities for therapeutic management and comprehensive care of critically ill animals
2. To establish a 'Referral Centre for Wild Life Health Management' in South Gujarat.
3. To establish heamodialysis unit for dog in the department.
4. To develop diagnostic modality for 'Canine Cardiology'
5. To conduct experiments on 'Ethano Veterinary Medicine' using animal models
6. To initiate efforts for effective control of haemoprotozoan diseases in bovines.
