

Achievements

❖ Awards

- Sadvichar pariwar award 2016
 - Article publication in Krushi Govidhya magazine 2019
 - Sadvichar pariwar award 2021
 - Sadvichar pariwar award 2022
 - Best researcher award 2022-23
 - Outstanding work in discipline of Agronomy
-

❖ Patents

- Agronomic Fortification composition comprising micro-nutrient for rice
 - A Nutrient composition for bio-fortification of Maize crop
-

❖ Rice varieties/hybrids developed and Notified by Govt of India

- Purna Upland rice (2014)
 - GNR 6 RFTP rice (2016)
 - GNRH 1rice hybrid early (2016)
 - GRH 2 rice hybrid mid-early (2018)
 - GR 16 (Tapi) for rainfed upland (2019)
 - GR 17 (Sardar) Puffed and Beaten rice (2019)
 - GR 18 (Devli Kolam) Kolam segment (2020)
 - GNR 9 (Lalkada Gold) High protein Biofortified (2021)
 - GR 24 (Navsari Parimal) Parimal segment (2022)
 - GR 25 (Mahatma) Puffed and Beaten rice (2023)
 - GR 28 (Navsari Valmiki) LS segment (2025)
-

❖ Rice production technology developed

- Production technology for aerobic rice (2018) and
 - Production technology for Organic rice farming (2021)
-

❖ Production and protection technology developed: Total 11

- Contributed in development of **four** production and **three** plant protection technologies for Farmers. Also contributed in development of **four** scientific information
-

❖ Nominations in national testing (AICRIP trials)

- Nominated more than 100 entries in six different segments in AICRIP testing in last 10 years.
