

Introduction

National Agricultural Research System has generated number of agricultural technologies for the benefit of the farmers. But, the farmers are not able to use these technologies due to lack of access to the information. To bridge this gap of information, Agricultural Technology Information Centers (ATIC) have been established in the country. • ATIC of Navsari, Gujarat was established on 02-08-2005 (Inaugurated on : 15-06-2007) as a 'single window' delivery system for the technology, services and products of the Institute for the benefit of the farming community. ATIC provides farm advisory services and facilitate informationbased decision making among farmers. • Place of Establishment : Navsari • Date of establishment of ATIC : 02-08-2005 • Inaugurated on : 15-06-2007 • Coordinating Centre : Directorate of Extension Education Navsari Agricultural University, Navsari
