CENTRAL EXAMINATION HALL

Navsari Agricultural University has a facility of central examination hall with a capacity of 300 persons. This hall is centrally air-conditioned and has a modern public address system that can be used for audio-video presentations. The central examination hall is routinely used for conducting examinations at central level, further it is also utilized for different events of our university. Its facility is extended to other government institutes, semi-government institutes, private parties, co-operative, NGOs, etc.
