Alumni Association, College of Agriculture, Waghai was founded in 2016 with passing of first batch of college. The purpose of association is to bring the alumni together at a common platform of college as well as build brotherhood among them. The alumni association is governed by an Executive council, consisting of 11 volunteers who give their time and knowledge and participate in a variety of alumni and foundation events and programs. Presently there were 276 registered members in association.
