### **National Service Scheme (NSS)**

National Service Scheme is in operation to give an extended dimension and to orient the young agricultural students to community service while they are studying. It is being run to arouse the social conscience among the students to provide them an opportunity to work with the people in the village and slums. It is felt that their interaction with the villagers and slum dwellers will expose them to the realities of life and bring about a change in their social perception. More than 150 volunteers are enrolled under National Service scheme of ASPEE College of Horticulture every year. The volunteers are assigned two types of activities - the special one is seven days Programme of developmental activities in the adopted village and the various routine activities like Yoga awareness programme, Swatchh Bharat campaign, blood donation camp, thalassemia checkup camp, tree plantation, Poshan abhiyan, Fit India movement and personality development.

## Gender Committee

Sexual harassment of women is a violation of the fundamental right of women to work in a safe environment. Often such behavior goes unpunished because of hesitation on the part of women to report such behavior out of a sense of shame or fear or both. It is important for women to protest against any behavior that they feel is unwanted and unacceptable. As per the Prevention, Prohibition and Redressal Act, 2013, the Gender committee for the prevention of Sexual Harassment of Women at work place was formed at the college level with the aim of providing women appropriate complaint mechanism against unwelcome sexually determined behavior whether directly or by implication. The Committee deals with the complaints of gender harassment by students, academic and non-academic staff in this institution, in accordance with the guidelines laid down by the Supreme Court of India. Thus, the following Gender Committee is constituted at ASPEE College of Horticulture, NAU, Navsari.
