Section-I: Let's Know the Recruiting Organization

GormalOne LLP – Creating Technology for Rural India - Delivering Resources to Empower

Kindly visit <https://gormalone.com/> & <https://www.nitara.co.in/>

for thorough understanding of your Prospective Employer...

- ☞ GormalOne is a **social impact enterprise creating sustainable impact through farmer-centric projects**. The name "GormalOne" came to life by creatively fusing the names of two suburbs of Mumbai - Goregaon and Malad.
- ☞ Their mission is to make dairy farming highly profitable, especially for the smallest farmers living in the most neglected geographies. The larger vision is to ensure higher levels of ROI for the farmer community using innovative tools which are financially viable. GormalOne is relentlessly working on its mission to elevate Indian farmers from the vicious cycle to the virtuous circle.
- ☞ It is an **agri-tech enterprise-driven using robust and flexible technology to achieve vision of safeguarding India's "nutrition security"**. They are passionate about making technology accessible and user-friendly for digitally naive rural users. With vast and in-depth knowledge of various agri-businesses gathered over the last 28 years, the Founder was and continues to be supremely passionate about tapping the power of technology and artificial intelligence to empower the farmers and other neglected sections of society.
- ☞ Their Brand 'Nitara's' Mission is driven using advanced technology & 'Nitara's' Vision is to make farming highly profitable for the smallest farmer, thereby ensuring India's "Nutrition security". Nitara's technology will be highly user friendly, for most digitally naive farmers.
