विषय/Sub: Online Training on "Plant Quarantine Procedures for Import and Export" from 18 - 22, April, 2022 (05 days) - reg.

Dear Sir / Madam (प्रिय महोदय / महोदया),

I wish to bring to your kind notice that International trade in agricultural commodities is subjected to various phytosanitary regulations and measures. As per Article IV of International Plant Protection Convention (IPPC), each contracting party of IPPC shall make provision for an official National Plant Protection Organization to safeguard the country's agricultural economy and the biodiversity from the ravages of exotic pests.

The main responsibilities of public authorities involved are; issuance of Phytosanitary Certificates (PSC), inspection of commodities, Post Entry Quarantine (PEQ) inspection, etc. The stakeholders like Plant quarantine officials, PSC issuing authorities and other stakeholders need to acquire appropriate knowledge on Plant quarantine regulations, procedures and documentation in order to safeguard Plant Biosecurity and to facilitate safe export of agricultural commodities.

In view of the above, National Institute of Plant Health Management (NIPHM), Hyderabad is organizing an exclusive online training program on "Plant Quarantine Procedures for Import and Export" from 18 - 22, April, 2022 (05 days) to create awareness about plant quarantine procedures involved in export and import. In this regard, it is requested to nominate/permit the officials to attend the online training program.

- The official letter may kindly be issued to the nominated officials for online registration.
- Nominated officials requisite to register themselves for the above programme in NIPHM online registration web portal with WhatsApp mobile number and upload their nomination letter.
- Uploading of nomination letter during registration is mandatory for confirmation of nomination and once the nomination is confirmed, the participants will be provided the online platform link of programme a day before the commencement of the said training programme.
- After completion of the training programme, the e-certificate will be issued to the participants.
- The training will be through virtual platform "CISCO WEBEX MEETING". The guidelines will be communicated to the nominated officials who will register with nomination letter.

Hence, it is requested to nominate your officials for the said programme and ensure online registration of the nominees on or before 12th April, 2022.

For further details/information, please contact Ms. Madhubala, Course Coordinator, on madhubala.rv@gov.in.

भवदीय/Yours faithfully,

(Dr. Alice R.P. Sajeetha)
