Being a tremulous and hopeful hunter in the job jungle; the fresh passing out students may feel totally inadequate to showcase their professional capabilities in the written form (Resume/CV), which will create their image in the mind of the interviewer even before they walk in for the interview. So, they need to write an effective Resume/CV. Ironically, for most of them, this might become a night mare!!! Even after getting an interview call, they may feel unprepared and nervous, as it is always difficult for a job seeker to face the interviewer, *especially for freshers who are just out of college.* **Most people do badly at job interviews not because they are incompetent; but simply because they are just plain nervous with sweating palms and stomach butterflies.** But, good news is that writing an effective resume & giving interview is a skill, and just like any other skill, it too can be developed. One can reduce the stress level by knowing some common mistakes that candidates make in preparing their Resume/CV as well as while meeting with potential employers and avoiding them.

So, *with the noble objective of equipping our students for lucrative career options,* **the University Placement & Counselling Cell, DSW Office of NAU, Navsari,** has been proudly organizing this full day career management training programme **since 2012.** Pioneered by a **highly acclaimed State, National & International Awards Winner Trainer and Certified-Accredited Management Teacher Prof. (Dr.) MEHUL G.
