CIRCULAR

Honourable Vice-Chancellor had taken a serious note of forwarding delayed, ambiguous, duration-mismatch and incomplete information to the Publication Cell of the University by some of the Units/Stations/Centres. As all the University Publications are important periodical mirror of Research/Teaching/Extension activities accomplished by our esteemed University which must contain authentic, accurate and reliable information. And therefore, All the Units Heads are hereby requested to take utmost care while forwarding the information to the Publication Cell in time to come.

This is circulated with concurrence of Honourable Vice- Chancellor.
