

## COLLEGE OF FORESTRY

### INTRODUCTION

The Faculty of Forestry came into existence in **1988** and started imparting education leading to the **B.Sc. (Forestry)** degree under the umbrella of **ASPEE College of Horticulture and Forestry**. The College of Forestry was established as an independent college effective from **01/06/2022**.

Postgraduate programmes leading to **M.Sc. (Forestry)** and **Ph.D. (Forestry)** degrees commenced during **1993–94** and **2006–07**, respectively. With financial support from **ICFRE, Dehradun**, dedicated college and hostel buildings were constructed, strengthening forestry education and research infrastructure.

The college currently functions independently with qualified teaching faculty appointed as per the **ICAR guidelines**. The institution has earned recognition for quality education, research excellence, and professional training in forestry sciences.

## HIGHLIGHTS

Feature	Details
Establishment Year	1988
Independent Status	2022
Undergraduate Programme	B.Sc. Forestry, 1988-89
Postgraduate Programme	M.Sc. Forestry, 1993-94
Doctoral Programme	Ph.D. Forestry, 2006-07
Accreditation	ICAR & ICFRE
Accreditation Grade	ICFRE - A*

## AIM

- To prepare trained manpower capable of scientifically protecting and sustaining forests and natural resources.
- To facilitate and train students in applied and basic research in forestry sciences.
- To promote sustainable management of environmental and ecological resources.

## OBJECTIVES

- Provide quality education leading to **B.Sc., M.Sc., and Ph.D.** degrees in Forestry.
- Generate innovative technologies through forestry research.
- Address environmental and anthropogenic challenges through scientific approaches.
- Transfer advanced forestry technologies to stakeholders and farming communities.

## DEPARTMENTS

1. Department of Silviculture and Agroforestry
2. Department of Forest Biology and Tree Improvement
3. Department of Forest Products Utilization
4. Department of Forest Resource Management
5. Department of Basic Science and Humanities

## ACHIEVEMENTS & RECOGNITION

- Accredited by **ICAR** for the period **2022–23 to 2028–29**.
- Accredited by **ICFRE, Dehradun** for the period **2022–23 to 2028–29** with **A\*** Grade.
- Forestry graduates receive weightage in recruitment for forest services.
- Alumni are serving in academics, multinational companies, banking sectors, and government organizations.

## CAREER OPPORTUNITIES

Graduates from the College of Forestry can pursue careers in:

- Forest Department Services
- Agroforestry Industries
- Environmental Consultancy
