Dr. Nikulsinh M. Chauhan, Former Programme Coordinator, Krishi Vigyan Kendra, Tapi, Navsari Agricultural University in the State of Gujarat has accomplished agricultural and rural development work in the tribal dominated areas of Middle and South Gujarat. His praiseworthy work in relation to Agricultural Extension Activities in Gujarat has lasted for nineteen years. We have taken the note of his legitimate concern for tribal farmers and their development under the leadership of Dr. Chauhan. His approaches towards tribal farmers are one of the work of the admiration and warmth. He has developed effective empathy with the farming community of the Gujarat state through his customary contacts and steady follow up visits after every On and OFF campus extension activities. In fact, society feels very grateful for the astonishing and amazing field extension work done by Dr. Chauhan in those remote tribal areas which resulted in formation of Mini-Green Revolutionary pockets. Under the truthfully humanitarian leadership of Dr. Chauhan and his committed team of scientists has created many success stories, impact studies, case studies and also

published research papers, books at National level as well as International. He has taken the memorandum of the latest agricultural science to the doorstep of humdrum people. He has added a new attribute and gesture to our Extension system through effective Transfer of Agricultural Technology from Research System to Farming Community. He acted as a viaduct between Lab and Land, Research System and Farming Community. The Society has highly cherished the mammoth efforts made by Dr. Chauhan to empower the farming community and to lead them at the uppermost of victory in the field of Agricultural and Rural Development. He has completed a marvelous work in the field of Agricultural Extension and Rural Development. Looking to the overall work done by him, the executive committee has decided to felicitate Dr. Chauhan with award. He got Best KVK Professional Award from SEE, Agra (UP) in December-2012. “Best Extension Agricultural Scientist for Tribal Development”, “Outstanding Grass Roots level Extension Scientist”: “Outstanding SocioAgricultural Scientist”, “Best KVK Professional Award-2011”, “Krishi-Sahkar-Ratna Award-2012”, “Best performing Officer at District level in Tapi -2014”, Yuva Ratna, Samaj Ratna, Yuva Pratibha Award, Best Author/ Article Award from DEE-AAU-Anand for “Krishi Govidya” agricultural magazine for the year 2014-15 and abundant supplementary from esteemed institutes.
