CIRCULAR

Campus Beautification Cell under the scheme Landscaping at University Campus (BH 303/12712/02) has been looking after the campus beautification specially the areas near NAU Gate entry, University Bhavan, guesthouse and along the road sides.

As per the instructions of the Honourable Vice Chancellor Sir, garden management with regard to cleanliness (weeding and mowing) i.e. 20 ft beyond the road side is the responsibility of the concerned unit head. Hence, all the unit heads are hereby requested to take utmost care with regard to cleanliness and maintenance of the gardens in their purview. Besides, for any guidance needed with regard to landscaping or planting material, the beautification cell is ready to help.

This is circulated with the concurrence of Honourable Vice-Chancellor
