**Dr. Swati Sharma**, Associate Professor at the ASPEE Agribusiness Management Institute, Navsari Agricultural University, Gujarat, is an accomplished academic and agribusiness professional with a Ph.D. in Management and over 14 years of diverse experience in academia, research, and industry. An expert in agribusiness management, supply chain, entrepreneurship, and farmer producer organizations, she has guided over 60 MBA (ABM) students and actively contributes to curriculum development, innovation, and startup incubation through key roles like Member Secretary of the University Startup Cell and Coordinator of SSIP 2.0.

With a strong publication record over 60 research papers and 70 book chapters and multiple awards for academic excellence and presentations, Dr. Sharma has also organized and led numerous national-level training programs, workshops, and webinars. Her leadership in projects like the AC&ABC Scheme, PGC-FPO course, and agripreneurship training has significantly impacted student development and rural entrepreneurship.

As the **Project Coordinator @ AABMI**, she bridges the gap between academia and industry by facilitating meaningful project placements and internships for MBA (Agribusiness Management) students. She collaborates with leading agro-industries, financial institutions, and development organizations to secure opportunities that align with students' career goals, ensuring valuable hands-on experience and professional exposure.
