

## ACHIVEMENTS

### Establishment of Digital English Language Laboratory (DELL)

- ✦ One of the major achievements of the Department of English is to have established a Digital English Language Laboratory (DELL) in the year 2016.
- ✦ The department has an advanced Fifth Generation Digital English Language Laboratory with 30 Computers in LAN with broadband internet connectivity.
- ✦ It is equipped with an Interactive Smart Board and a PA system.

- ✦ The laboratory is designed to be used for various purposes. All the computers are fitted along the walls leaving central space vacant to be used for Seminars and Workshops.
- ✦ The computer systems are also used by various departments for providing training in using different software. The facility is also used for conducting online tests for various purposes.
- ✦ The students are allowed to work on their assignments of various subjects in the laboratory. They can browse internet for their studies and completing the projects.

### Workshops

- ✦ Organized an International Workshop funded by the British Academy, UK on Exploring Possibilities of Mobile Learning with the help of faculty members from the University of Leeds, UK, H M Patel Institute of English, Vallabh Vidyanagar and Central University of Gujarat, Gandhinagar in the year 2014.
- ✦ Organized a workshop on Research Writing for the research scholars and faculty members of NMCA in collaboration with Department of Extension Education in 2018.

## **Research Grants Received**

- ✦ Received grants from the Children's University, Gandhinagar for conducting research on Developing Aesthetics among Young Learners I the year 2014-15.
- ✦ Received grants for training teachers of English of Navsari region from Regional English Language Office, US Embassy, New Delhi in the year 2017.
