

Dr. Mehul G. Thakkar

TPO's Tone *The Missionary HRD Man*

At the outset, I gratefully acknowledge the warm response, encouraging support and interest shown in recruiting our students over the years in general and in the last four highly successful placement years of 2021, 2022, 2023 & 2024 in particular. Thanks a million for being with us with your morale boosting support.

With changing business dynamics in this VUCA world, organizations across the globe are facing a crisis wherein the age old rule of “*survival of the fittest and now even the fastest*” dominates. The promising force that can help the organizations to survive and grow in such environment is competent, committed and resilient workforce - the human resources with '*CAN DO Winning Outlook*' and '*Growth Mindset*' to combat the uncertainties of future. In this regard, I am immensely pleased to present the **17th batch of 36 Industry Ready ABM Professionals – The Agribusiness Warriors with the 'Right Mix of Aptitude & Attitude, Business Competencies and Exemplary Motivation'**; who will surely serve as the linchpin for your organizational success. They are sure to flourish in this competitive world with confidence and zeal to grow and let the organization prosper; where they will transcend new heights of success.

Being a professionally managed organization, you must be having unique growth plans for your business. This is possible only if you hire, train and retain qualified young manpower, and then deploy them to achieve your organization's strategic plans. Here, we can join hands for a long lasting symbiotic relationship. As a diamond acquires its true worth after experiencing immense heat and hard times, our MBA (ABM) students have attained their true worth after rigorous training of 2 years, assiduous preparation and dedication. This acid test has indeed been a true analysis of their morale, motivation as well as academic brilliance. They are sincere and committed, with clear academic as well as career orientation. They are “**The Next Cohort of Industry Ready Agribusiness Warriors**” in real sense with readiness to exhibit their professional skills for accelerating the growth of your esteemed organization.

Further, let me proudly share that we are a premier Agribusiness Management Institution of Gujarat that has pioneered the MBA (ABM) programme among all the four SAUs of our ever growing Gujarat State. Every year, the top brass of Agriculture & Allied Sciences Graduates from across the nation join AABMI to get transformed into competent agribusiness professionals with the right blend of knowledge, skills, attitude and ethics. **So, to reap maximum and the best out of the outgoing talent pool of AABMI available for joining in June/July, 2025; I cordially invite you to participate earnestly in our Placement Programme – 2025** and augment our efforts to accomplish our mission of providing the best human resources matching with industry requirements. If given a chance, I am sure that our students will certainly prove themselves to be the best hiring decision of your professionally managed setup. Further, I firmly believe that '*The Best always deserves the Best*' and we therefore look forward for your cooperation for a win-win outcome. **Let's look forward to a brighter and shining India by becoming 'Vocal for Local Talents with Global Mindset' of our worthy Institute and University. But, the best ones will be picked up at the earliest!** So, hurry up to grab the best available talent...

In anticipation of building a long term value adding association with your organization, I look forward to welcoming you to our campus. Let's strengthen the bond between your esteemed organization and our institute/university. Heartily welcome.

(Mehul G. Thakkar)

*Professor in HRM and TPO & Counselling Officer @ AABMI &
University Placement & Counselling Head @ NAU, Navsari*
