About ASPEE Agribusiness Management Institute, NAU, Navsari

ASPEE Agribusiness Management Institute at Navsari Agricultural University, Navsari is a response to the changing scenario of Indian Agriculture Sector. ASPEE Agribusiness Management Institute (AABMI) was established in 2007. The Institute is well equipped to provide high standard education with well-qualified teachers supported by highly sophisticated infrastructure facilities of Navsari Agricultural University for experiential learning. The institute has framed out ambitious two flagship programmes MBA (ABM) and Ph.D.(ABM) to cater to the needs of the agro industries, banking, retail, NGO's and various other sectors for qualified agribusiness professionals.

About Professional Certified Agripreneurship Training Program

ASPEE Agribusiness Management Institute is offering 45 days Professional Certified Training on Agripreneurship for eligible candidates a flagship program under the sponsorship of Ministry of Agriculture & Farmers Welfare, Government of India. The program intends to support agricultural development by creating wealth generating avenues in Agriclincs and Agribusiness to acquire entrepreneurial skills to embark upon self-employment with the subsidy schemes. This Program supports agriculture and allied science graduates towards the path of employment and economic independence to ensure a positive change by sustainable initiatives. The main role of Agriclincs and Agribusiness Centres are to provide expert advice and services which would enhance productivity and ensure increased income of farmers and promoting commercial agri-ventures for income generation and entrepreneurship development.
