

Future Programme on Research Station (2018-19)

Sr No	Season	Title of Experiments	
(A) Under the Scheme for research in sorghum and Strengthening research in sorghum			
1	<i>Rabi</i>	L.S.V.T. of Sorghum	
2	"	S.S.V.T of Sorghum	
3	"	I.A.V.H.T of Sorghum	
4	"	Demonstration of <i>rabi</i> varieties	Varieties:- BP-53, M-35-1, GJ-40, Nizer goti, GJ-36, CSV 216 R
5	"	Maintenance of <i>rabi</i> Sorghum germplasm	105 germplasm
6	"	Seed production	Sorghum (Phule Revati) in area of 1.0 ha
(B) Under the Scheme for research in Pulse			
1	<i>Rabi</i>	L.S.V.T. of chickpea	
2	"	S.S.V.T. of chickpea	
3	"	PET on <i>desi</i> chickpea	
4	"	PET on <i>kabuli</i> chickpea	
5	"	Seed production	Black moong (GBM-1) in area of 1.0 a
6	"	Seed production	Green moong (Co-4) in area of 1.0 ha
7	"	Seed production	Pigeon pea (Vaishali) in area of 4.0 a
8	"	Seed production	Gram (GG-2) in area of 1.0 a
9	"	Seed production	Gram (GJG-5) in area of 1.0 a
10	"	Seed production	Papdi (Guj. Val-2) in area of 2.0 a
(C) Under the Scheme for research in wheat			
1	"	NIVT-5B	
2	"	LST (RF)	
3	"	SST-I (RF)	
4	"	Seed production	Wheat (GW-1) in area of 1.0 a
5	"	Seed production	Wheat (GW-496) in area of 1.0 a
(D) Establishment of Agril. Res. Station in SSP canal command area			
Under this project, demonstration (on farm and farmer's field), training and other extension activities will be carried out in SSP command area.			

- To conduct the demonstration on research farm and farmers' field on improved package of practices and technologies of different mandate crops of the region.
- To arrange the on campus and off campus one day training, Khedut shibir, field day and farmers' day programs.
- Farmers can obtain the information by visit and interacting with scientists, staff workers and telephonic talk.
- To work as resource personnel in training programs organized by other agencies.
