

Corrigendum-1

Sr. No	Tender Name	N-Procure Tender ID	NAU Tender Id
1	Supply, Installation, Testing, Commissioning, laying & Fixing "Underground Horizontal Directional Digging/ Drilling (HDD) Work" at NAU.	610657	NAU/COMPT/ IT/07-2023-24
2	Supply, Installation, Testing, Commissioning, laying & Fixing "Establishment of Fibre Optic Cable Network" at NAU.	610794	NAU/COMPT/ IT/07-2023-24

It is to notify and inform all the prospective bidders for the above-mentioned tenders that all the Completion Certificate will be issued only after considering all the Tender Conditions and following corrigendum in this regard. All the Bidders are required to consider below given condition in additions to present terms and conditions of the above mentioned Tenders.

The selected bidder is required to carry out NAU site repair, site finishing work as per the previous state before work started, site leveling with required filling and finishing work to the previous state, finishing work (with concrete work) of pits/digging from where pipes are coming out as per NAU's instructions and whenever it is required.

The NAU Site Repair means (underground plumbing, underground electrical, underground drainage, road repair and leveling, NAU blocks and concrete road work, etc.). The selected bidder is required to understand that any damage during the work at the NAU site will be required to be repaired and restored to its previous state before work is started. In this regard, all bidders are required to consider that no expense or extra payment will be given from NAU.

Comptroller, NAU
