Circular

NAU, Navsari has signed a MoU with Micro Crispr Pvt. Ltd. Vapi for 15 days industrial training in the field of Molecular Biology. As per the MoU, six students in the batch of two can undergo training at Micro Crispr Pvt. Ltd. Vapi. No fee will be charged from the candidate and the company will also provide lodging and boarding facilities. The training will be scheduled between March-July 2025.

For screening of candidates, application with duly filled biodata in the given format from the interested M.Sc. and Ph.D. students is invited. Candidate may submit their application to undersigned through their Major Advisor and Head of the Department (HoD) by **March 18, 2025**.

Major Advisor and HoD should certify that they don't have any objection if the candidate is selected for the training and will permit them for the same as per the slot available.

Suitable candidates will be shortlisted by the company and may have to appear in a written test and/or interview.

(T.R. Ahlawat)
