

Infrastructure/Facilities

Sardar Smruti Kendra: Agriculture Exhibition and Sardar Patel Photo gallery

- Sardar Smruti Kendra was established at Navsari Agricultural University, Navsari in commemoration of the Birth Centenary Mahotsav Celebration of Honorable Sardar Patel.

Two types of exhibitions and an information center were established in Sardar Smruti Kendra with the aim of disseminating agricultural knowledge to the farming community in the initial phase, namely;

1. Agricultural Exhibition (ground floor)
2. Sardar Patel Photo Gallery (first floor)
3. Agricultural Information Centre.

Sardar Training Hall

- Well-appointed air-conditioned auditorium with a seating capacity of 110 is available for training purposes.
- The hall is also equipped with state-of-the-art amenities including computers, LCD screens, projectors with internet access, a P.A. system, and more. Additionally, a designated waiting room for distinguished guests is also available.

Sardar Krushikar Bhavan

- Sardar Krushikar Bhavan offers accommodation facilities to trainees, scientists, and staff. The well-appointed farmer hostels can house up to 108 individuals simultaneously. Among the 108 available spots, 96 can be occupied with non-air-conditioned amenities, while the remaining 12 spots offer a combination of non-air-conditioned and air-conditioned facilities.

Shashtri Krushikar Bhavan

- Shashtri Krushikar Bhavan offers accommodation facilities for trainees, scientists, and staff. This well-appointed establishment boasts a total of 38 double occupancy rooms, each equipped with air conditioning, providing a comfortable stay for up to 76 individuals simultaneously.

Balram Krushikar Bhavan

- Balram Krushikar Bhavan offers accommodation facilities to trainees, scientists, BRS students, and other guests. The elegantly furnished dormitory rooms at Balram Krushikar Bhavan can comfortably host up to 40 individuals at a time.

Agricultural Educatorium

- In the entrance, the statue of our Father of Nations; Mahatma Gandhi has been placed in the vicinity of the Dandi March at Navsari Agricultural University.
- This Educatorium comprises approximately 10,000 square feet of exhibition space within a fully air-conditioned facility. The ground floor showcases advancements in agronomy, soil science, genetics, plant breeding, and plant protection, while the first floor features technologies related to horticulture, post-harvest practices, forestry, social sciences, veterinary medicine, and meteorology, presented through innovative extension teaching methods such as storytelling boards, interactive press button boards, intricate dioramas, captivating murals, detailed showcases, realistic models, and informative specimens.
- A well-furnished conference room equipped with air conditioning and LCD projector, capable of accommodating up to 50 visitors.

Agriculture Technology Information Centre (ATIC)

Training-cum-meeting hall, class room and Single window system

- Well furnished building including reception counters, entrance foyer with canopy.
- The centre comprises the training-cum-meeting hall having the capacity of 40 persons, class room, store rooms, staff rooms, planting materials and nursing shed, kitchen-cum-pantry with water cooler facilities, sanitary corner separated for ladies and gents.

Bakery School

- Bakery building comprises an office room, a class room, a store room, and a laboratory for trainees.
- The bakery is fully equipped with essential instruments, equipment, and vessels for the preparation of bakery products.
