# About the Symposium

Department of Plant Molecular Biology and Biotechnology, ACHF, NAU, Navsari and Division of Biochemistry, ICAR-IARI, New Delhi in association with Society for Plant Biochemistry and Biotechnology, IARI, Pusa Campus, New Delhi invites you for the National Symposium on 'Emerging Innovations in Plant Molecules for Achieving Food and Nutritional Security (EIPMAFNS-2022). Food and nutritional security ensure better health of human being. In present scenario every day new diseases are coming up and only those persons can survive who take nutritionally superior and good quality food. The symposium aims to bring eminent scientists working in the frontier areas of Plant Biochemistry, Genomics, Genetics, Metabolomics, Stress Biology, Food Science and Nutritional Science together and provide a forum for sharing their immense experience to encourage and inspire young researchers for exploring the emerging areas of Plant Biochemistry, Biotechnology and Food Science. Looking to the pandemic situation of COVID-19 this symposium will be organized in hybrid mode.

## Symposium thematic areas:

- Innovations in Nutritional Biochemistry and Biofortification
- Emerging Innovations in Basic Biochemistry and Molecular Biology for Stress Tolerance
- Omics Assisted Crop Improvement
- Recent Advancement in Genetic Engineering and Genome Editing
- Innovations in Food safety, IPR, PPP and Bioethics

## Abstract Submission

We invite abstracts for the oral/poster presentation under the above mentioned thematic areas and a special session of young scientists. Abstract not exceeding 250 words alongwith registration form would be submitted through google form: <https://forms.gle/uT6wxrqnQtnLnfgt6>. Name of the presenter and theme of submission should be highlighted in bold letters. The online registration and payment of fees is must for all delegates.
