The welfare of Students is an important part of the university. It broadly covers their Physical, Mental, Social, Cultural and Spiritual well-being. The university has the following mission and vision for the Students' Welfare.

Mission:

To create an enabling environment and act as a catalyst and facilitator for the promotion and development of students at regional and national stratum

Vision:

To be responsive to the ambition and needs of students, empowering them for a bright future and fostering culture of sports among the students

Objectives:

- To participate in sports, maintain wellness and pursues an active lifestyle as a natural accompaniment to academic studies, leading ultimately to rewarding, healthy and fulfilling lives
- To engage in a wide variety of sports programs that celebrate diversity, promote inclusivity, and create opportunities to excel
- To boost confidence and lasting pride in self and the university, through participation and recognizing achievement

The office of the Directorate of Student Welfare provides ample scope, opportunities and facilities for the development of personality and leadership qualities among the students of on-campus and off-campus. The student welfare activities are related to professional, societies, physical education, yoga, National Cadet Corp (NCC) and National Service Scheme (NSS). For the advancement of the professional skills of the students, the college wise activities are performing. They are coordinating the sports, cultural and literary activities and organizing the professional lectures, debates, essay competition under the literary activities and the cultural activities are aimed at providing the forum of drama, music, dance, singing and anchoring talent among the students of the university.
