CRA has allotted two User IDs and I-PINs to DTOs or PAOs which will enable them to carry out the changes using Maker - Authoriser methodology. Update of certain details requires only a maker activity, i.e. the changes will be accepted by NPSCAN, once the maker captures and confirms the request. However, some requests (such as nomination details) will require a Maker and Authoriser methodology to be followed. i.e. once the maker has captured and confirmed the request, another user as an authoriser shall log in and authorise the request. Requests pertaining to change in signature and /or photograph can be carried out only through CRA-FCs.

Thanking You,
