Dear Sir/Madam,

Greetings from Division of Flower and Medicinal Crops, ICAR-IIHR, Bengaluru!

We are pleased to announce that Division of Flower and Medicinal Crops, ICAR-IIHR, Bengaluru is organizing ICAR-sponsored 21-day Winter School on "Harnessing Untapped Floriculture Potential for Farmers Empowerment and Entrepreneurial Development" from January 28 to February 17, 2025 at IIHR, Bengaluru.

The program is mainly targeted for entry level scientific professionals working not below the rank of Scientist/Assistant Professor and equivalent. Participants should be from ICAR Institutes, State Agricultural/Horticultural Universities, Central Agricultural Universities, Deemed to be

11 DEC 2024

Postbox
11/12/24

Universities, and other similar institutions in India as permanent employees in the cadre of Assistant Professors or equivalent and higher.

Only 25 eligible participants will be selected for the training based on the ICAR guidelines.

Last date for receiving applications: January 03, 2025.

Interested candidates should register online in the Capacity Building Programme (CBP) portal (<http://cbp.icar.gov.in/>) by creating an account for submission of application. A printed copy of the application duly signed and approved by the competent authority should be scanned and uploaded on the CBP portal. A copy may also be emailed to ihrwinterschool@gmail.com

The detailed brochure can be found at <https://ihr.res.in/harnessing-untapped-floriculture-potential-farmers-empowerment-and-entrepreneurial-development>
