Section-I: Let's Know the Recruiting Organization

Evolving Roots LLP

Kindly visit <https://evolvingroots.co/> & www.pelicanangroup.co.in for thorough understanding of your Prospective Employer...

- ☞ Evolving Roots LLP is **founded with a mission to nourish the world through innovative and sustainable food systems.**
- ☞ Evolving Roots has been founded by Anang Lalbhai, Arjun Lalbhai and Rajvi Lalbhai. **The Lalbhai Family is one of the oldest entrepreneurial families of India with an illustrious history that can be traced back to more than 600 years.** The family has always had a progressive vision and a commitment to serving communities. With evolving times the family has constantly maintained its entrepreneurial spirit.
- ☞ From warriors to jewelers, from traders to mill owners, and from textiles to food & beverage, the evolution has led to the creation of 'Evolving Roots', a company focusing on progressive agriculture.
- ☞ Their goal is to deliver safe and nutritious food with minimum impact on the environment by **embracing farmer engagement, cutting edge agriculture technology, sustainable business model and impact driven investment philosophy.** Focus lies in bringing about solutions that enable to produce more with less in smarter, more responsible and transparent ways.
- ☞ Identifying nutritional and diverse Superfoods which can be produced by demand driven, technology enabled and progressive scientific practices in developing countries. Farmer engagement and community upliftment remains at the core of company's activities.
- ☞ **A five year plan envisages the company cultivating 1000 hectares of land producing 14,600 MT of Superfoods annually and feeding over half a million people daily.**
