## Gender Committee- 2025-26

Sexual harassment of women is a violation of the fundamental right of women to work in a safe environment. Often such behavior goes unpunished because of hesitation on the part of women to report such behavior out of a sense of shame or fear or both. It is important for women to protest against any behavior that they feel is unwanted and unacceptable. As per the Prevention, Prohibition and Redressal Act, 2013, the Gender committee for the prevention of Sexual Harassment of Women at work place was formed at the college level with the aim of providing women appropriate complaint mechanism against unwelcome sexually determined behavior whether directly or by implication. The Committee deals with the complaints of gender harassment by students, academic and non-academic staff in this institution, in accordance with the guidelines laid down by the Supreme Court of India. Thus, the following Gender Committee is constituted at ASPEE College of Horticulture, NAU, Navsari.
