Conduct and Guidelines for P.G. Seminars – Odd Semester 2025–26 (Forestry)

All concerned are hereby informed that the **P.G. Seminar Schedule for the Odd Semester 2025–26** has been finalized and circulated for information and necessary action. The following points must be strictly adhered to by all P.G. students and faculty members involved:

1. **Attendance:** A minimum of 75% attendance during the semester is mandatory for all P.G. students.
2. **Active Participation:** Students are advised to actively engage with the seminar speaker to make each session interactive and scientifically meaningful.
3. **Seminar Schedule Adherence:** No changes will be allowed in the scheduled date, time or seminar topic, except in genuine cases with prior approval.
4. **Faculty Responsibilities:** The Major Advisor and Minor Guide must ensure timely mapping of their student's seminar and submit the final seminar grade sheet both manually and online to the Seminar Coordinator.
5. **Post-Seminar Submissions:** Each P.G. student must submit the following within one week after their seminar: Soft copy of the PowerPoint presentation, Hard and soft copies of the corrected and seminar gist

Faculty members and students are requested to ensure full compliance with the above for the smooth and effective conduct of the seminar series.
